## DECIDING A MAJOR:

- The questions for each Meta Major list are used to get an overview of the type of work or setting common for that Meta Major.
- Eliminate the majors that don't interest you - narrow down your list!
- Review HCC Degrees/Certificates that you are considering by visiting [www.housatonic.edu](http://www.housatonic.edu) to learn more about the major.
- Take an assessment and research majors and careers using FOCUS 2 or Career Coach by visiting [www.housatonic.edu/student-services/career-services](http://www.housatonic.edu/student-services/career-services) .
- First semester students see academic advising and continuing students see your faculty advisor to learn more about the majors you are considering.
