Emergency Purchasing Card Information
E-Card Activation Instructions and Contact Information

Governor declares “State of Emergency”: In the event of a Governor declared State of Emergency, the Governor’s designee (To Be Determined By The Governor’s Office) will notify the P-Card Administrator(s) that the Governor has declared a State of Emergency and to activate the Emergency Card Program Plan. The P-Card Administrators are listed below and on file with the bank.

The P-Card Administrator(s) will contact the bank to activate the Dormant E-Cards and to enable the Open E-Cards with the emergency card level limits, which are $250,000 credit limit, $250,000 single purchase limit, unlimited (999) transactions daily and monthly, and 12 E merchant category code. The list of Emergency Card Purchasers, both Dormant and Open E-Cards are available upon request and on file with the bank.

To Activate Emergency Cards: call Grace Davis 1-800-207-5359 x654-0800 and let her know that we need to activate the State of Connecticut’s Emergency Card Program Plan. We are corp. 6130. If the call goes to voicemail, her voicemail will instruct you to press 2 and another account manager will pick up. You will need to provide your VID (verification ID number). Please keep this handy. If you need to activate the cards over a weekend, please call Weekend Customer Service: 1-800-316-6056

Emergency Purchasing Card Program Plan

The State of Connecticut has implemented an Emergency Purchasing Card Program that is part of the current Purchasing Card Program administered by the Office of the State Comptroller and Department of Administrative Services. The purpose of the Emergency Purchasing Card (E-Card) is to have a purchasing mechanism in place that is activated in the event of a State of Emergency.

Conditions of Use

State Agencies participating in the E-Card Program may use the Purchasing Card for emergency purchases in the event of a State of Emergency declared by the Governor and no action to disapprove has been taken by the General Assembly (CGS Sec 28-9).

Each State agency authorized to use the Purchasing Card during a State of Emergency is required to enter into an agreement to comply with State policies and procedures specifically established for the Purchasing Card during a State of Emergency.

Emergency Cardholders

Not all agencies have a need for an emergency purchasing card, while some agencies have a need for more than one emergency purchasing card. Each State agency must determine if a need exists to designate emergency cardholder(s).

Emergency cardholders have higher transaction limits and fewer restrictions on their cards and are responsible for placing orders, maintaining receipts in a purchasing log envelope and forwarding to the Agency Purchasing Card Coordinator.

The Agency Purchasing Card Coordinator is responsible for maintaining the Core System in which the employees selected as emergency cardholders have been designated with the card type of Dormant or Open E-Card.

There are two types of emergency card purchasers:

- **Dormant E-Card** - inactive cardholder with emergency card level limits. A card is issued to an employee and the card will only be activated if a State of Emergency has been declared by the Governor.

- **Open E-Card** - current cardholder with an active P-Card. The card will be enabled with the emergency card level limits if a State of Emergency has been declared by the Governor.

The Department of Administrative Services serves as the Statewide Purchasing Card Administrator and liaison with the bank of record to maintain the current listing of authorized emergency staff and to ensure that the emergency limits have been activated.

Emergency Credit Limits

The Comptroller has established specific limits for the use of the Purchasing Card during a State of Emergency and will conduct post audits on the use of the cards.

Authorized emergency limits have been established at $250,000 per month and up to $250,000 per transaction and unlimited transactions daily and monthly. The Purchasing Card emergency credit limits
will not be activated until the Governor declares the State of Emergency and authorizes to activate the Emergency Card Program Plan.

Emergency Agreement for Program Use and Participation

Agency heads should review their agency's disaster plan to determine if the Emergency Purchasing Card Program is necessary and appropriate for their agency.

If an Emergency Purchasing Card Program is determined to be needed during a State of Emergency, in order to participate, the agency must:

2. Designate employees to be Dormant or Open E-Cardholders by requesting this type of card in the Core System

The agency will work with staff members from the Office of the State Comptroller and Department of Administrative Services to coordinate implementation and compliance with this agreement.

Emergency Card Activation Procedures

In the event of a Governor declared State of Emergency, the Governor’s designee (To Be Determined By The Governor’s Office) will notify the P-Card Administrator(s) that the Governor has declared a State of Emergency and to activate the Emergency Card Program Plan. The list of P-Card Administrators is on file with the bank and can be found in the “Contact Information” section.

The P-Card Administrator(s) will contact the bank to activate the Emergency Card Program Plan. The list of Emergency Card Purchasers, both Dormant and Open E-Cards are available upon request and on file with the bank. The P-Card Administrator provides a current list to the bank on a quarterly basis.

Tracking Emergency Card Purchases

All cards are billed to their designated agency account. In the event of emergency purchasing, Open E-Cards may have previous charges from everyday business transactions. If necessary, “Emergency” charges would be determined starting from the date/time that the Governor declared an emergency.

Agreement for Use of the Purchasing Card During a State of Emergency

________________________________________

Agency Name

**Purpose:** The purpose of this Agreement is to set forth the conditions under which the Purchasing Card may be used during a State of Emergency as authorized by the Office of the State Comptroller (OSC) and the Department of Administrative Services (DAS).

**Use:** Agencies may use the Purchasing Card for emergency purchases in the event of a State of Emergency declared by the Governor and no action to disapprove has been taken by the General Assembly (CGS, Sec. 28-9).

**Cardholders:** Cardholders designated by their agency as emergency cardholders will have limits raised in accordance with the limits set forth herein as established by OSC when a State of Emergency has been declared. The cardholder will be responsible for placing orders, maintaining receipts in a purchasing log envelope, and forwarding the purchase log envelope to the Agency Purchasing Card Coordinator.

**Credit Limit:** Authorized emergency limits have been established at $250,000 per month and up to $250,000 per transaction. The limit of transactions per day and per month is unlimited. The Purchasing Card emergency credit limits will not be activated until the Governor declares the State of Emergency and authorizes to activate the Emergency Card Program Plan. At that time the Statewide Purchasing Card Administrator will notify the bank that an emergency has been declared.

**Agency Purchasing Card Coordinator:** The Agency Purchasing Card Coordinator will be responsible for maintaining their agency’s emergency cardholder accounts in the P-Card On-Line (POL) system. All new cards and changes must be requested via POL system to the Statewide Purchasing Card Administrator.

The agency will work with staff members of the Office of the State Comptroller and Department of Administrative Services to coordinate implementation of and compliance with this agreement.

The undersigned hereby agrees to the terms and conditions contained herein on behalf of their respective agency. Should there be a change in agency head, no re-execution of this document shall be necessary and all terms herein shall remain in full force and effect until amended by the Comptroller and the Commissioner of Administrative Services.

Non-compliance with any of the provisions contained in the procedures above including the requirements contained in the State Accounting Manual may be grounds for termination of this agreement.

Contract Specialist  
(Original Signature on Document in Procurement Files)
Dear Betty,

The State of Connecticut has formally declared a state of emergency requiring the activation of Contract 14PSX0059, Disaster Debris Monitoring Services for the State of Connecticut. This correspondence serves as written notification to proceed with the services that Tetra-Techn, Inc. has been awarded to provide.

With respect to the activation of this contract, DAS requests that BDR secure and provide the performance bond required as stipulated in the contract. Copies of the performance bond can be forwarded to:

- paul.greco@ct.gov
- carol.wilson@ct.gov
- Devin.marquez@ct.gov

If necessary the bond can also be faxed to 1-860-622-2932. Original hard copies to follow can be forwarded to:
The Connecticut Department of Administrative Services
DAS Procurement Services
450 Columbus Avenue,
Hartford, CT 06106
12th Floor North
Attn: Paul Greco, DAS Contract Specialist

Please also be advised that the Connecticut Department of Energy and Environmental Protection (DEEP) and the Connecticut Department of Emergency Services and Public Protection will notify the Connecticut Department of Transportation (DOT) to issue the purchase orders necessary for the mobilization and deployment of the resources necessary to commence with the services required.

Thank you for your immediate attention to this matter.

Sincerely,

Paul Greco, CT DAS Contract Specialist
