Free Ways to Succeed:

- **Academic Support Center (Lafayette):** The ASC offers on ground, online and drop-in tutoring.
- **Writing Center (Lafayette):** Statistics show that students who take advantage of HCC's Writing Center significantly improve their ability to stay in school and graduate. They get higher grades in their classes when they have support in their writing.
- **Computer Labs (Lafayette A230 & 232, Beacon Hall 111 & 114):** HCC Students can take advantage of four computer labs which are open and available for student's academic use.
- **Guidance Counseling (Lafayette A108):** On-campus, professional counseling is available to HCC students for any student issues.
- **Library Services (Lafayette Hall):** You can check out books, videos, movies, use the computers, access research databases, print, make copies, scan, and use the special resources the professors have on reserve for student use.
- **Women's Center (Beacon Hall 371):** Support and programming for women at HCC. Men are always welcome.
- **Family Economic Security Program:** Career Coaching, Financial Advisement, Academic Counseling, and Scholarships available. Contact Alese Mulvhill at 203-332-8517
- **The Office of Career Services, Internships and Experiential Learning:** The office offers individualized career counseling, résumé and cover letter review, assessment inventories, ePortfolio development, interviewing skills assistance, on-campus career fairs, career workshops and information sessions, as well as internship and job postings.
