

EARTH DAY AT HCC 2021

A Day of Action: Growing Gardens and Building Birdhouses

Greater Double Collared Sunbird

- Greater double collared sunbirds occurs only in South Africa and Swaziland.
- They are colorful pollinators of many plants.
- Greater double collared sunbirds are small in size and have long curved peaks which enables them to feed on flower nectar.
- Flowers pollinated by sunbirds are often red or orange and have long

04.21.2021 - 04.22.2021
